

Georgia: Efforts to Combat Human Trafficking

U.S. Department of Health and Human Services Region IV

This state profile summarizes regionally specific data to help promote collaboration and inform and enhance the response to human trafficking in Georgia. Information was reported to the National Human Trafficking Hotline from December 2012 to December 2016.

The image above is a heat map that reflects the cases reported to the National Human Trafficking Hotline in 2016. Areas in which greater numbers of cases were reported contain more red shading. Areas in western and central Georgia contain red shading. This map only reflects cases in which the location of the potential trafficking was known. Some cases may involve more than one location.

DEMOGRAPHICS OF POTENTIAL VICTIMS:

Citizenship
