

Marshall Islands: Efforts to Combat Human Trafficking

U.S. Department of Health and Human Services Region IX

This state profile summarizes regionally specific data to help promote collaboration and inform and enhance the response to human trafficking in the Marshall Islands. Information was reported to the National Human Trafficking Hotline from December 2012 to December 2016.

Fewer than three cases of human trafficking were reported to the National Human Trafficking Hotline from the Marshall Islands, so a heatmap indicating the general locations of the cases can not be produced.

DEMOGRAPHICS OF POTENTIAL PERSONS TRAFFICKED:

Citizenship

Insufficient data to report citizenship demographics

Gender

Insufficient data to report gender demographics

Age

Insufficient data to report age demographics
