

# Northern Mariana Islands: Efforts to Combat Human Trafficking

## U.S. Department of Health and Human Services Region IX

This state profile summarizes regionally specific data to help promote collaboration and inform and enhance the response to human trafficking in the Northern Mariana Islands. Information was reported to the National Human Trafficking Hotline from December 2012 to December 2016.

The image above is a heat map that reflects the cases reported to the National Human Trafficking Hotline in 2016. Areas in which greater numbers of cases were reported contain more red shading. There is significant red shading in the central region of the Northern Mariana Islands. This map only reflects cases in which the location of the potential trafficking was known. Some cases may involve more than one location.

### DEMOGRAPHICS OF POTENTIAL PERSONS TRAFFICKED:

#### Citizenship

Insufficient data to report citizenship demographics

#### Gender

Insufficient data to report gender demographics

#### Age

Insufficient data to report age demographics

## TOP
