

ADMINISTRATION FOR
CHILDREN & FAMILIES
Office on Trafficking in Persons

HHS Health and Human Trafficking Symposium

PowerPoint and Resource List

November 28–29, 2018

Panel 6: Reflections on Next Steps (Research, Evaluation, Technical Assistance)

This panel highlights important research questions, measurement challenges, and/or technical assistance needs for the field and what research methodologies would be needed to answer them.

Following the PowerPoint presentation is a list of resources suggested by the HHS Health and Human Trafficking Symposium moderators and panelists. The list includes a wide variety of resources, ranging from published research, fact sheets, and tools such as trainings and curriculum.

ADMINISTRATION FOR
CHILDREN & FAMILIES
Office on Trafficking in Persons

Reflections on Next Steps (Research, Evaluation, Technical Assistance)

Moderator/Panelists

- Moderator:
 - Dr. Brenda Destro, Deputy Assistant Secretary, Planning and Evaluation (HSP)
- Discussants:
 - Dr. Sandi Pierce, Director of Programs, Innovations HTC
 - Dr. Meredith Dank, Research Professor, John Jay College of Criminal Justice
 - Dr. JoNeil Potter, Professor of Clinical Obstetrics and Gynecology, University of Miami Miller School of Medicine
 - Dr. Hanni Stoklosa, Executive Director, HEAL Trafficking
 - Ashley Garrett, Director, National Human Trafficking Training and Technical Assistance Center

2

Learning Objectives

- Explore forthcoming research and prioritize research gaps that are necessary to further inform our evidence based response to the health needs of those vulnerable to human trafficking
- Examine emerging models in delivering trauma informed healthcare and behavioral health treatment that can inform the next 10 years of care
- Investigate training and technical assistance efforts that underpin efforts to build the long term capacity of healthcare and behavioral health providers to serve those vulnerable to human trafficking
