

## **Highlights of Changes to Current OCSE-75 Reporting Form**

### **Section A: Case Inventory**

Combined lines 1a (Tribal TANF Cases) and line 1b (State TANF Cases) into a new line 1a (Total TANF Cases) that includes both Tribal TANF and State TANF.

### **Section B: Paternity Establishment**

Changed line 3 to Total Number of Children Ever Needing Paternity Established as of the End of the Federal Fiscal Year. This replaces the old line 3, Total Number of Children in Current Year Born Out-of-Wedlock.

Eliminated line 3a, Total Number of Children in the Previous Year Born Out-of-Wedlock

Added optional line 4a to capture the number of paternities excluded during the fiscal year.

### **Section C: Collections Due and Distributed**

Lines 5-8 were changed to only count the Reporting Tribes current and past due support.

A new line 8 was added to capture collections sent to other jurisdictions during the fiscal year.

### **Section D: Program Cost**

Line 9, Total Costs Claimed was eliminated. This is reported on the SF-425 Form.

### **Section E: Other Reporting Lines**

All lines in this section are optional.

Added lines 11a and 11b to report collections distributed during the fiscal year from a sovereign tribal source (optional)

Added line 12 to report Tribal Unemployment Rate (optional).

Added line 13 to report Tribal Joblessness Rate (optional).
