Windows of Opportunity

Professional Development Training Conference
November 26-29, 2012

Revel
Atlantic City, New Jersey

The Region II Head Start Association is seeking proposals for our 2012 Professional Development and Training Conference which will be held at the Revel in Atlantic City, NJ from November 26th-29th, 2012. The conference theme is “Windows of Opportunity” and will feature institutes, workshops, seminars and forums covering a wide range of topics related to Head Start/Early Head Start and child care. The audience will include, Head Start parents, staff persons, administrators (regional, state and territories), policy makers, fiscal officers, community partners, etc.. We anticipate that this conference will attract over 300 participants from New York, New Jersey, Puerto Rico and the Virgin Islands.

All presentations are voluntary!

Conference registration will be waived for presenters on the day of their presentation. Presenters are responsible for making their own arrangements for audio-visual equipment and duplication, more specific information will accompany the training agreement. Once a proposal has been approved by the Association, neither substitutions nor changes will be accepted. Trainings can be conducted in English and Spanish (please indicate if you have a preference), however, translation services may be made available.

OVERNIGHT ACCOMODATIONS

Presenters must make reservations directly with the hotel at 609-348-0500 or 855-348-0500, mention Code GRT1012 or Region II Head Start Association Annual Meeting
